

## Lesson 3 Worksheet: Speech, Language & Communication

### 1. Everyday Talk

**\*\*Reflection for Parents:\*\***

How do you naturally talk with your child during daily routines (mealtimes, play, car rides)?

(Write here)

---

---

### 2. Building Vocabulary

Try describing what you're doing, naming objects, or talking about colours, shapes, and feelings.

**\*\*What new language activity will you try this week?\*\***

---

---

### 3. Giving Time to Respond

Children often need extra thinking time before speaking.

**\*\*When can you pause more during conversations with your child?\*\***

---

---

## **4. Reading Together**

Books help children understand stories, hear new words, and explore language.

**\*\*What book will you choose to read together this week?\*\***

---

---

## **5. Songs & Rhymes**

Nursery rhymes help children hear patterns and sounds in words.

**\*\*Which rhyme or song will you use to support language learning?\*\***

---

---

## **6. Supporting Clear Speech**

Rather than correcting your child, gently repeat words back clearly.

**\*\*What encouraging phrase can you use to support your child's attempts at speaking?\*\***

---

---

## **7. Parent Notes**

Anything important you want to remember from this lesson?
